

# Screen Guard Transparent Screen Protector for iPod nano 7th gen - 3 Pack

## Overview

### Protection Without Distraction

The totally transparent screen protector keeps your screen safe without changing its appearance.

### Defend Your Device

Avoid damage without affecting your touchscreen's functionality. Strong yet thin and lightweight, the screen protector provides excellent protection that will help keep your device looking like new.

### TruClear™

See your screen, not the screen protector. TruClear™ technology ensures optimal screen visibility.

### Fast Install

Applying the screen protector is fast and easy. Simply clean your iPod nano screen with the included cleaning wipe, peel the screen protector from its backing and place it onto your screen. Then use the included smoothing card to push away creases and bubbles.
